Proust Marcel

Remembrance of Things Past Volume 1 Proust Marcel pobierz PDF Marcel Proust (1871-1922) spent the last fourteen years of his life writing "la recherche du temps perdu". It is an intimate epic, an excavation of the self, and a comedy of manners by turns and all at once. Proust is the twentieth century's Dante, presenting us with a unique, unsettling picture of ourselves as jealous lovers and unmitigated snobs, frittering our lives away, with only the hope of art as a possible salvation. He offers us a form of redemption for a sober and secular age.
